# The First Aid Zone delivers professional paediatric first aid training in a modern and unique style.

The First Aid Zone is an established first aid training provider offering all Paediatric First Aid courses. Our unique blended 12 hour training is extremely popular and meets all requirements for Early Years Professionals.

**Why use other expensive training providers when our paediatric courses save you TIME & MONEY?**

## Why choose us?

Cost effective and time saving training!

**User friendly online course, completed at your leisure at home or at work.**

Only 6 hours classroom time – practical and no final examination!

**Free online course with latest first aid updates.**

Local & regular training days, including evenings/weekends.

**Highly qualified and friendly instructors.**

Courses meet requirements for OFSTED, and Early Years Providers.

## Your Senior instructor

Stella Swindells is a Registered Nurse, Midwife and Health Visitor with diverse NHS experience.

A qualified First Aid Instructor/Assessor training individuals, groups and organisations in First Aid and specialising in delivery of Paediatric First Aid for Early Years providers.

All First Aid Zone instructors delivering training courses have paediatric experience; we believe this to be fundamental to deliver relevant, interesting and effective first aid training; a standard we are proud to achieve.

## Group booking

If you have multiple child care professionals who need paediatric first aid training.

The First Aid Zone is able to offer very competitive group rates and bespoke training solutions at your choice of venue and flexibility to suit your business needs. To get a quote and details for your group/organisation contact us and we will be delighted to provide a quotation.
